S that bad back wearing you out? Are you tired. lame and achy in the morning; tortured all day long with nagging backache and sharp, stabbing pains? Evening find you weak, worn-out and discouraged? Surely, you don't want to go on from day to day enduring such needless suffering ! So why not find out the cause and correct it? Chances are you have given no thought to your kidneys. Yet, more than likely a cold, a chill, or a strain has weakened your kidneys and brought on that constant back-

ache; those sharp, rheumatic pains; the headaches; dizziness and distressing bladder irregularities. But don't be discouraged! Simply realize that your kidneys have fallen behind, and give them the help they need. Use Doan's Kidney Pills. Doan's are recommended for just such troubles. They have helped thousands and should help you Ask your neighbor !

HEAD ACHED AND BODY ACKED

There are various symptoms of hidney trouble—rheumatic pains, backache, sore muscles, stiff joints, and "always thed" feeling. Mrs. George Morgan, E. Fairfield, Vt., writes: "My head ached and my whole body ached so I could not step. Foley Kldney Pills gave me relief." They head and strengthen weak, disardered kidneys and bladder and help them in their work of filtering the blood and casting out of the system the impurities that cause pain and disease. Many ambitious men and women live only half a life—and don't know it

No person whose nerves are continually irritated, whose appetite and digestion are disturbed, or who doesn't sleep well has more than half his normal chance for success in life. For weakness, debility, anemia and general lack of tone are a serious handicap to anybody.

Those who drink tea or coffee are often sufferers from these conditions. Tea and coffee contain caffeine, a substance which has a decided stimulant action

Each cup of strong coffee contains about as large a dose of caffeine as your doctor would ordinarily give to a very sick person.

You can readily see that the effect of giving this stimulant regularly to a well person might finally have a tendency to make instead. It is a rich, coffeelike cereal beverage-perfectly delicious!
